

Indigenous businesses and federal contracts

The Procurement Strategy for Indigenous Business gives First Nations, Inuit and Métis businesses across Canada fair opportunities to compete for Government of Canada contracts, helping them grow, succeed and support the Indigenous economy.

Indigenous Business Directory

- ✓ Helps businesses be visible to potential clients and access opportunities, including federal contracts.
- ✓ Businesses must be at least 51% Indigenous-owned and controlled.

Indigenous Business Navigator Service

- ✓ Supports Indigenous businesses in finding programs and services that provide business assistance.
