

STUDENT REGISTRY

Training and Employment Opportunities

Are you looking for an exciting career as part of your Community's health care team?

Are you interested in training to work in your community as a nurse, a health care aide, an occupational therapist, a pharmacy assistant, a rehab therapist, and more?

If 'yes', we invite you to help us measure interest levels from Manitoba's First Nations Peoples to enroll in training programs.

A Student Registry will be created that includes Community members who have expressed their interest. Registered members living on reserve might be contacted by educational organizations if training is being offered in an area of interest.

Take the questionnaire online, by visiting:
GoToApply.ca/ImInterested

If you would like a paper copy of the questionnaire mailed to you, or for more information please call or email us at:
